**Subject: Invitation to participate in the “Fruitful Research: How to Make Health Innovation Worthwhile” workshop and the Signing Ceremony of Memorandum Of Understanding (MOU) on “Collaboration on priority setting and early Health Technology Assessment of health innovations in Thailand”**

To whom it may concern,

On behalf of the Health Intervention Technology and Assessment Program (HITAP) Foundation, we have the pleasure of inviting you to participate in the “Fruitful Research: How to Make Health Innovation Worthwhile” workshop and witness the Signing Ceremony of the MOU on the “Collaboration on priority setting and early Health Technology Assessment of health innovations in Thailand” on **19 June 2023 from 8.30am to 12pm, at The Sukosol Hotel Bangkok**. The agenda of the workshop and signing ceremony is enclosed for your reference.

The objective of this workshop is to promote early health technology assessment (early HTA) in the health innovation research and development, which is one of the key areas in Thailand's health research.

Please complete the registration form via the QR code provided below by 9 June 2023. Due to the limited number of seats available at the event, we would appreciate your early registration. Your registration will be confirmed once you receive a confirmation email message.

Please contact Ms. Natthida Malathong, Operations Management Officer at natthida.m@hitap.net should you have any queries relating to the event.

We look forward to your participation in the event.

Dr. Yot Teerawattananon, PhD  
Secretary General,  
Health Intervention and Technology Assessment Foundation
